

Shanghai Biostatistics Forum (SBF) 1st Event, 2013

上海生物统计学术论坛

<http://stat.smmu.edu.cn/sbf/main.htm>

Date and Time:

Friday, January 18, 2013, 2:00pm-5:30 pm

Location:

逸夫楼学术活动中心报告厅 华东师范大学中山北路校区
Auditorium Hall, Yifu Building, East China Normal University
3663 North Zhongshan Road, Shanghai 200062 (see **direction below**)

Local Sponsor:

Academy of Applied Statistical Science, Biostatistics Center

Attendee:

Open to everyone who is interested.

Theme:

Bayes Methods in Biostatistics

Agenda:

- Introduction and Welcome Remarks
Dr Jin Xu, Biostatistics Center, East China Normal University
Dr Dejun Tang, Director of Biometrics, IIS China, Novartis Pharma
- Presentations: [2:00pm-3:45pm]
 1. Bayesian Meta-analysis for Safety Updates: An application
Dr. Lillian Yau, IIS China, Novartis Pharma
 2. Objective Bayesian Analysis for Recurrent Events under Competing Risks
Dr Jiayu Fu, Department of Statistics and Actuary Science, East China Normal University
- Discussion: [4:00pm-5:30pm]
Bayesian statistics in drug development: advantage, opportunities and challenges
Chair: Dr Luyan Dai, Associate Director, Biostatistics, Boehringer-Ingelheim
Discussants:
Prof Jim Berger, Duke and ECNU
Prof Susie J. Bayarri, U. of València
Prof Dongchu Sun, ECNU
and more

Shanghai Biostatistics Forum (SBF) 1st Event, 2013
